PROCEEDING OF THE INTERNATIONAL CONFERENCE ON MATHEMATICAL SCIENCES, NATURAL SCIENCES, AND COMPUTING VOLUME. 1 NOMOR. 1 JUNE 2024

FOCUS AND SCOPE OF THE JOURNAL

Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing with e-ISSN : 3090-6768. It's a collection of papers or scientific articles that have been presented at the National Research Conference which is held regularly every two years by the Asosiasi Riset Ilmu Matematika dan Sains Indonesia. The paper topics published in the Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing the sub-groups of Natural Sciences, Mathematics, Earth and Space Sciences and other relevant fields and Published 2 times a year, in **June and December**.

Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing Articles published in the Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing include the results of original scientific research (priority), new scientific review articles (not priorities), or comments or criticisms of articles in the Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing. The Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing ACCEPTS manuscripts or articles from various academics and researchers both internationally and nationally.

Articles published in journals are articles that have gone through a review process by Mitra Bebestari (*peer-review*). **Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing** only accepts articles derived from original research results (priority priority), and new scientific review articles (non-priority). The decision to accept or not to accept scientific articles in this journal is the right of the Editorial Board based on the recommendations of the Reviewer Partners.

JOURNAL INDEXING INFORMATION

Proceeding of the International Conference on Mathematical Sciences, Natural Sciences, and Computing with e-ISSN : 3090-6768 <https://international.arimsi.or.id/index.php/ICMSNSC> is a *peer-reviewed journal* that has been indexed in several leading indexers, including: *Google Scholar*; *Digital Reference Keeper (GARUDA)*; *Copernicus*; *Dimensions*; *Connecting Research and Researchers (ORCID)*; *Cross-reference DOI*.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. The journal publishes *research articles*, literature review/review articles, case reports and *concept/policy articles*, in all fields of Community Partnership Journal accepting articles in English. The articles to be published are original works and have never been published. Entry articles will be reviewed by both internal and external review teams. The International Journal of Applied Mathematics and Computing accepts articles in English.

The Editorial Board will strive to continue to improve the quality of journals so that it can become one of the most important references in the development of science. A big thank you to the reviewer along with the members of the Editorial Board and all parties involved in the publication of this journal.

Greetings
